May 17, 19 61

Government  
Well No. 1 is located 600 ft. from {N} line and 600 ft. from {E} line of sec. 35  
C NE 1/4 23-S. 23-E. Salt Lake  
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)  
Castle Creek Grand Utah  
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 6250 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

It is the intention to commence with a 15 inch hole, setting at least 150' feet of 10-3/4" inch surface pipe with sixty sacks of cement, or circulated to surface.

Objective - pinch-out traps in the Paradox formation.  
3,000 foot test may encounter the Mississippian formation.

*Will commence operations by May 21*

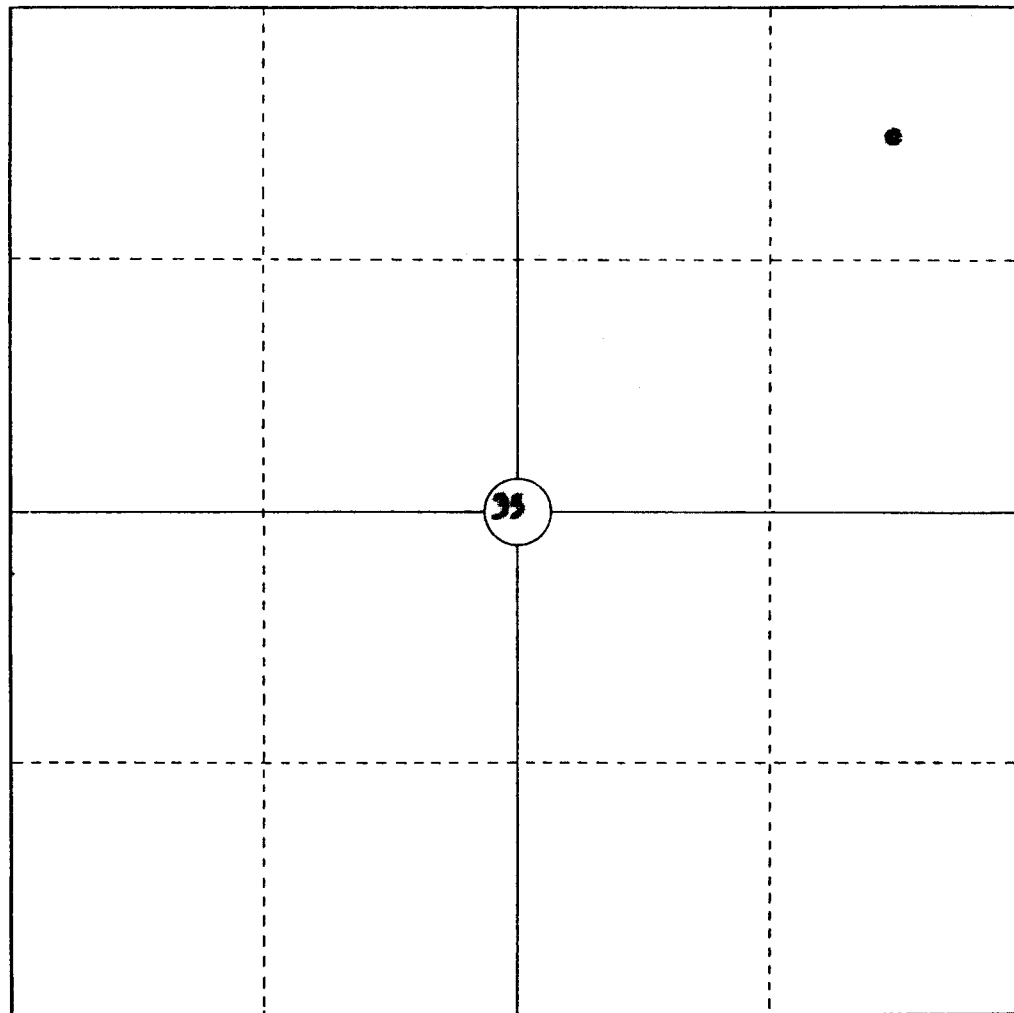

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Suite 1  
Salt Lake City 1, Utah

Attn: Mr. Austin B. Smith, Partner

Gentlemen:

This is to acknowledge receipt of your notice of intention to drill Well No. Government #1, which is to be located 660 feet from the north line and 660 feet from the east line of Section 35, Township 25 South, Range 23 East, SLEM, Grand County, Utah.

Please be advised that insofar as this office is concerned approval to drill said well is hereby granted; however, this approval is subject to the following conditions:

1. That sufficient cement be used while setting surface pipe to circulate to the surface.
2. This office is to be notified at least 24 hours before the following operations are begun so we may witness such operations:
  - a. Running and cementing of surface casing;
  - b. Running and cementing of production casing; or
  - c. Setting of cement plugs if the well is to be abandoned.

Notification of the above operations is to be given to one of the following named individuals:

Intermountain Oil & Gas Co.  
Attn: Mr. Austin B. Smith, Partner

Gentlemen:

On May 23, 1961, we approved your notice of intention to drill the subject well. To date, we have received no Subsequent Reports on this well nor have we received any Monthly Report of Operations as required under our General Rules and Regulations.

Would you please submit a Sundry Notice on this well covering any operations such as spudding, etc. Also please submit a Monthly Report of Operations for each month in which operations were conducted together with an explanation of the current status of this well and an estimated date for resumption of operations if operations were suspended.

Very truly yours,

OIL & GAS CONSERVATION COMMISSION

Re: Well No. Government #1  
Sec. 35, T. 25 S., R. 23 E.,  
Grand County, Utah

Gentlemen:

Our records indicate that you have not filed a Monthly Report of Operations since March, 1963 for the subject well. Rule C-22(1), General Rules and Regulations and Rules of Practice and Procedure, Utah State Oil and Gas Conservation Commission requires that said reports be filed on or before the sixteenth (16) day of the succeeding month. These reports may be filed on Form OGCC-1b, (U. S. Geological Survey Form 9-331, "Sundry Notices and Reports on Wells"), or on Company Forms containing substantially the same information. However, if this well has been completed, please complete and return the enclosed Forms OGCC-3, "Well Completion or Recompletion Report and Log", in duplicate and forward them to this office as soon as possible.

We are enclosing forms for your convenience.

Very truly yours,

OIL & GAS CONSERVATION COMMISSION
